Addons During Session

From Moderator:

<http://fosssig.com/> The Tampa Bay Computer Society Free & Open Source Software SIG.
(Has linked to <http://brcsfreewaresig.blogspot.com/>)

I Love Free Software <http://ilovefreeware.com/> found in course of researching for this session.

The PORTABLE FREEWARE collection <http://www.portablefreeware.com/> remembered during session

From Attendees

(Not Checked Out Personally, But With Quote From The Site Itself, Or A Short Idea Of What It Is)

<http://www.afterdawn.com/>

“Latest technology news, how-to guides, product reviews and software downloads.”

<http://sourceforge.net/>

“Fast, secure and free downloads from the largest Open Source applications and software directory.”

<http://www.karenware.com/>

“Home of Karen's Power Tools, free programs for Windows.”

<http://ninite.com/>

“Ninite, the easiest way to install software.”

<http://www.populair.eu/software/> List of Web Sites with Free Software

<http://www.econsultant.com/i-want-freeware-utilities/>

“I want a Freeware Utility to ... 450+ common problems solved.

Extremely useful free utilities that do specific jobs really well and save time and money.”
